BOOK SYNOPSIS

Realized by Angelo Sindaco in collaboration with Andrea Signori, *Cooking with the Bears - Healthy Recipes by Hairy Men* is the first cook-book dedicated to the world of Bears. From Gramigna with Sausages to Guinness Cake, from Folktronic Spaghetti to Alternative Caponata, the 32 recipes collected in this cook-book have been selected by as much members (or couples of members) of the Bear community, portrayed by Angelo Sindaco while preparing their dishes. The book features a preface by Mike Enders, founder of AccidentalBear.com, benchmark for queer art, culture, fashion and, most of all, music.
