BOOK SYNOPSIS

This sourcebook is packed with over 150 feats to add to your 5th Edition games for the "Worlds Most Popular Roleplaying Game." With only a small handful of feats in the core game, this product greatly enhances the amount of core feats available, allowing you a greater depth for your characters and perhaps even adversaries... The emphasis is on fun though, and these feats will ensure you have a lot more to choose from. Contained within: *Tons of missing core feats *Feats to address missing class features *New healing feats to allow other classes minor healing abilities *Slayer feats which improve your prowess against certain foes *Divine Channeling Feats *Metamagic Feats *A New Condition *and much more! Also be sure to check out our latest title, Fifth Edition Options!
