BOOK SYNOPSIS

AWARDS: 2006 Outstanding Academic Title, by CHOICE The 2005 Award for Excellence in Professional and Scholarly Publishing by the Association of American Publishers (AAP) Best Reference 2005, by the Library Journal Rivers of North America is an important reference for scientists, ecologists, and students studying rivers and their ecosystems. It brings together information from several regional specialists on the major river basins of North America, presented in a large-format, full-color book. The introduction covers general aspects of geology, hydrology, ecology and human impacts on rivers. This is followed by 22 chapters on the major river basins. Each chapter begins with a full-page color photograph and includes several additional photographs within the text. These chapters feature three to five rivers of the basin/region, and cover several other rivers with one-page summaries. Rivers selected for coverage include the largest, the most natural, and the most affected by human impact. This one-of-a-kind resource is professionally illustrated with maps and color photographs of the key river basins. Readers can compare one river system to another in terms of its physiography, hydrology, ecology, biodiversity, and human impacts. * Extensive treatment provides a single source of information for North Americas major rivers * Regional specialists provide authoritative information on more than 200 rivers * Full-color photographs and topographical maps demonstrate the beauty, major features, and uniqueness of each river system * One-page summaries help readers quickly find key statistics and make comparisons among rivers

RIVERS OF NORTH AMERICA - Are you looking for Ebook Rivers Of North America? You will be glad to know that right now Rivers Of North America is available on our online library. With our online resources, you can find Applied Numerical Methods With Matlab Solution Manual 3rd Edition or just about any type of ebooks, for any type of product.

Best of all, they are entirely free to find, use and download, so there is no cost or stress at all. Rivers Of North America may not make exciting reading, but Applied Numerical Methods With Matlab Solution Manual 3rd Edition is packed with valuable instructions, information and warnings. We also have many ebooks and user guide is also related with Rivers Of North America and many other ebooks. We have made it easy for you to find a PDF Ebooks without any digging. And by having access to our ebooks online or by storing it on your computer, you have convenient answers with Rivers Of North America. To get started finding Rivers Of North America, you are right to find our website which has a comprehensive collection of manuals listed.
