BOOK SYNOPSIS

Ysabelle They say in order to find yourself you have to go home, but what if home is what youre escaping from. I went to Miami to discover myself; never in my wildest dreams, did I think home would become a three-letter word. VIP. I was the dream. I was the illusion. I was the fantasy. Until him... Everything went to hell in hand basket the moment we laid eyes on each other. I wanted him. He wanted me. Sebastian I have always been a man who made decisions based on other peoples feelings, wants, and desires. I was selfless. I never wanted to hurt anyone. Especially her. The moment I met her... I wanted her. I loved her. For the woman she was. For the woman she wanted to be. But most of all... For the woman she was, when she was with me. This isnt a love story, but a story about love. Warning sex/drugs/language. Mature readers only.
